## **Press Release**

### **IAC Adapter - Bosch to GM**

Now available, an IAC body that fits into the stock location on all 84-49 Carrera, C2/C4 and 993 engines. Our NEW IAC Body fits the stock location using factory hoses. This IAC Body is for anyone using a GM style IAC motor on a Porsche 911, or any other application where the Bosch IAC was stock. For existing installations with unsightly hoses to adapt the IAC Motor, this is a perfect solution.

1001-75	IAC Body .....	\$96.00
81110	IAC Motor .....	\$79.00
